

Vectorblade

Our civilization is in grave danger, we are threatened by aliens. Their spaceships approach our solar system and prepare to launch deadly weapons upon us. Pilot major Rex is our only hope. His new ship "Vectorblade" is equiped with the latest technology, together with his lightning fast reflexes the aliens do not stand a chance against humankind... or do they?

Vectorblade features over 100 unique levels of gameplay and 4 boss-fights. With more than 4 dozen different bonus/malus to collect you can upgrade your ship to be invincible ... nearly.

Your progress and highscores are saved to the cartridge...
